Dear Doug and Stephanie,

Enclosed is a copy of the amendment to Certificate of Appropriateness #0726 for the changes you have requested to the proposed deck railing at 276 Arlington Street.

As you know, the amended design was approved unanimously by the commission at a meeting on February 19, 2008.

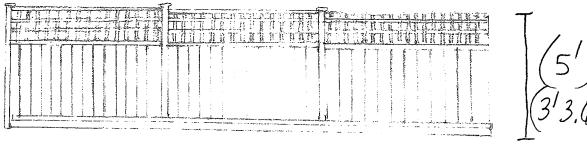

As before, the condition regarding painting all new wood elements still applies. Please get back to us if you have any questions or if anything in your plans changes again.

Sincerely,

Anne Forbes
